Whereas *Sagi Rama Krishnam Raju Engineering College* is one of the oldest seminaries formed in 1980. S.R.K.R. Engineering College was established with a mission to develop the college into a center of Excellence in the field of Technical Education, capable of training students as sound professionals to cater to the needs of the society. The college is offering six B. Tech Programs, six M. Tech Programs and seven PhD Programs with a total strength of more than 6500 students. SRKREC is an autonomous institution, affiliated to Jawaharlal Nehru Technological University Kakinada (JNTUK), approved by AICTE New Delhi, accredited by National Board of Accreditation (NBA), accredited with 'A' Grade by NAAC with CGPA of 3.60/4.00 scale. The college is recognized as Scientific and Industrial Research Organization (SIROs), recognized as Business Incubation Centre (MSME), secured the status of 2(f) and 12(B) of UGC in 1988, selected for financial support under FIST Programme of DST, New Delhi; selected under Unnat Bharat Abhiyan (UBI) of MHRD, Govt. of India. College has 64 MoUs with National and International Universities/Industries/Organizations for staff and student's mobility and training programs.

The **Department of Engineering Mathematics and Humanities** has its existence since the inception of the college. The highly dedicated, qualified and experienced faculty members motivate the intellectual acumen of the students and also transform every budding engineering student into an eligible aspiring professional youth. Department is offering courses for B. Tech & M. Tech on par with other Engineering Departments in our Institution. It is well known fact that Mathematics and Humanities are the integral part of technical education. Having enough number of doctoral degree holders, research commitment and competence is initiated and going on in the department. The department has been recognized

as a **Research center** by JNTUK, Kakinada. The Mathematics Faculty are guiding Ph.D.'s and M.Phil.'s.

Whereas . B. V. Raju college is situated in vishnupur, Bhimavaram, West Godavari district in Andhra Pradesh state of India. Established in 1999, it is accredited from AICTE and it is affiliated to AdikaviNannayya University. BVRC, Vishnupur offers degree courses in 2 streams B.Sc and B.com and two P.G streams M.Sc Organic chemistry, M.Sc Analytical chemistry and M.C.A. Hostel facility is available for the students. Additional amenities such as Auditorium, Canteen, Computer Lab, Cultural zone, Theatre, Library, Medical facilities, Cls. Room, Placement cell, Sports are also available in the campus.

The Department of Mathematics and Humanities has its existence in the college since 2002. The committed and experienced faculty members motivate the students and create a path to make their dreams become reality. The department trains the students and providing them the knowledge base which is paramount importance in pursuing higher education or for getting right placement.

The two institutes are mutually interested to promote and pursue high quality research in the frontier areas of sciences like atmospheric sciences, physical sciences, life sciences and social sciences with a view to deliver products and service of societal relevance.

Enter into the MEMORANDUM OF UNDERSTANDING (hereinafter called "MOU") on Research/Academic Exchange between Department of Engineering Mathematics and Humanities, Sagi Rama Krishnam Raju Engineering College, (hereinafter referred as the "EMHSRKREC") and B.V Raju College (hereinafter referred as the "MHBVRC"), collectively referred to hereinafter as the "Parties".

WHEREAS:

1. The Parties agree to enter into an agreement for academic exchange;
2. The Parties recognize that the academic exchanges will promote further educational collaboration and cultural understanding and have agreed to further continue their common interest in promoting the mutual cooperation in the area of education and research; and

3. The parties to implement the MOU under the terms and conditions hereinafter set forth.

HAVE AGREED AS FOLLOWS:

The areas of cooperation will include any programme offered at either Departments which is felt to be desirable and feasible for the development and strengthening of cooperative relationship between the above Departments. However, all programmes shall be subject to mutual consent, availability of funding, and approval of each institution. Such programmes may include:

- Exchange of Faculty for Research assignments
- Joint research programmes and exchange of academic information
- Exchange of students for appropriate - level study and research
- Utilization of Available software tools in the Labs and Library facilities
- Organization of Joint conferences workshops and meetings
- Other activities as deemed mutually appropriate

ARTICLE 1

PURPOSE AND OBJECTIVE

The purpose of this Memorandum of Understanding is to make possible and to facilitate the exchange of students, scholars, and educational resources between SRKREC and BVRC based upon principles of mutual and the reciprocity of benefits;

The objective of this MOU is to strengthen ties between both Parties and to promote academic cooperation.

UNB-SVES

MASTER OF COMPUTER SCIENCE BY COURSEWORK

Pursue a master's degree with co-op designation in Computer Science and begin your future in Canada.

The **University of New Brunswick (UNB)** and the **Sri Vishnu Educational Society (SVES)** have partnered to offer SVES alumni a unique opportunity to work and study abroad.

Complete a **Master of Computer Science by Coursework (MCSC)** while working with one of our corporate partners in a guaranteed employment placement through the UNB co-op office.

Opportunities New Brunswick (www.onbcanada.ca) knows that demand for Information and Communications Technology (ICT) professionals is high in NB and that finding skilled workers is a top priority. ONB will work to select employers to offer students of the program valuable work experience in the sector.

TO APPLY, VISIT:
UNB.ca/apply

PROGRAM DETAILS

The MCSC program provides advanced education at the graduate level to students who want to pursue their computer science education further. Students learn from nationally- and internationally-renowned faculty, becoming expert computer scientists themselves.

Students are equipped with both the technical skills that employers expect from our Computer Science graduates, as well as soft skills, like teamwork and communication, that set UNB Computer Science graduates apart.

The program consists of a minimum of 10 **graduate and undergraduate courses normally completed within 16 months** (3 study terms and 2 work terms).

Select one of five program concentrations that will prepare you to meet employer expectations and become fully employed.

GET HANDS-ON WORK EXPERIENCE WHILE YOU STUDY

This MCSC program will include a co-op designation, which is attained on the successful completion of two graduate co-op terms with respected employers. Our specialized graduate co-op program provides hands-on experience not typically found in graduate degrees.

Co-op positions will be available with established and newly established New Brunswick companies.

ADMISSION REQUIREMENTS

SVES alumni with an undergraduate degree and one or more years of work experience can apply to UNB's MCSC program along with a recommendation from SVES.

REQUIRED APPLICATION DOCUMENTS:

- 1 Official transcripts and degree confirmation
- 2 English proficiency test results (TOEFL iBT 94 with 23 written, IELTS band 7 overall and written, or equivalent)
- 3 Three letters of recommendation (at least 2 academic)
- 4 Graduate application fee
- 5 Complete application form
