# **CERTIFICATE PROGRAMME IN BAKERY & CONFECTIONARY**

## **1. GENERAL INFORMATION:**

Padmabhushan Dr. B.V. Raju Foundation & Sri Vishnu Educational Society were established with a long cherished ambition to promote and disseminate knowledge and serve the cause of education, in general and technical / professional education, in particular. The Foundation & Society are engaged in Teaching, Research and Extension in different disciplines of Engineering, Pharmacy, Dental, Polytechnic, Life Sciences, etc.

Padmabhushan Dr. BV Raju, the Founder Chairman of Dr.B.V.Raju Foundation & Sri Vishnu Educational Society, was a man of simple words, high aims, and higher achievements. Starting his career in a small way in the cement industry, the tenacious young man rose to the level of Managing Director within a short span and he was invited to head the Cement Corporation of India (CCI). He then went on to play a key role in the planning, construction and commissioning of various cement factories across India. The Government of India recognized the distinguished services of this Doyen of Cement Industry and awarded him the title "Padma Sri" in 1977. His first small step as an entrepreneur into the industry with his very own Raasi Group of Industries became a giant leap of success catapulting him to the pinnacle of his career.

**PROPOSAL:** We would like to go in for the introduction of 3 months duration Certificate Programme in Bakery & Confectionary as an Add-on Course at our Bhimavaram campus to cater to the needs of the local community keeping in view the following:

Bakery products are well accepted by the common mass and simultaneously they are nutritious too. Bakery products have reached even in the villages and due to urbanization, craze towards western lifestyle, increasing women employment etc. its demand is increasing day by day. To go up with this increasing demand of the bakery products, it is necessary to establish more bakery units, which will require trained bakery technocrats.

## **2. OBJECTIVES:**

The main objective of the course is, to conduct training to develop entrepreneurs, techno crafts and skilled manpower for the bakery industry. The proposed 3 months certificate course in Baking & Confectionary deals with the subjects like Bakery, Confectionary and Related Studies. The course provides opportunity to gain knowledge and develop skills for preparation of commonly consumed Bakery products like Bread and fermented foods, Cookies, Biscuits, Cakes and Icing etc. through theory and practical classes. It also provides knowledge regarding quality of raw-material, scientific knowledge of ingredients, improved processing techniques, chemical and microbiological reactions involved in it, handling of various bakery equipments and machines as well as economics of food preparation.

### **Specific Objectives of the Course**

- To impart skill to the technical input required for a bakery enterprise.
- To support students for career development through expert training.

### **Skills to be provided**

- The skills of selecting, handling, and use of equipment
- The skill of selecting the raw material - quality testing and use.
- The skill of preparation, technical do's and don'ts
- Identify faults and making necessary remedies to get a good product.
- Skills of costing and fixing the selling price.

### **Job Opportunities**

- Can be employed as bakers in large and small-scale bakery units.
- Employment in corporate canteens, cafeteria, and fast food centers.
- As trainers for untrained personnel.

### **3. Commencement of the Course:**

Normally this 3 months course will be offered two times (TWO BATCHES) in a year:

First Batch: Commences in the month of January/February.

Second Batch: Commences in the month of July/August.

An advertisement regarding commencement of the course shall be published in the local news paper(s) as well as in the college website [www.bvricedegree.edu.in](http://www.bvricedegree.edu.in) one fortnight prior to the commencement of the course.

## DEPARTMENT OF MCA REACTJS WORKSHOP

The department of MCA conducted React JS Workshop for I MCA, II Semester students from 22-05-2023 to 27-05-2023 by Mr.Devansh Agarwal.

React JS is one of the most widely used front end Java Script libraries for creating web applications. One of the main benefits of using React JS is to reuse components. It saves time for developers as they don't have to write various codes for the same features.
