MEETING ID: 858 1175 1886

- 4) We must run one credit course for 15 hours, through IACC in our college; (minimum of 30 hours as their expectation is 10 hours theoretical, (either online or offline) and 20 hours like library, hands on experience, examination, assessment etc.) BOSCH will send material, information pen drive, resource material, assessment guidelines, branding material etc by mid of December 2021 to us.

Teaching mode and other flexibility in course conduction is at our liberty. {At a later stage BOSCH will think about placements, internships, field visits without promise} the course is open to all. Initially we can conduct this course to our institution students later we can implement it to other colleges (as per the need and situation demand)
- 6) The levels of course and its description is available in resource material. Number of students is also of our choice.
