MOCK INTERVIEW

Mock interview is very crucial for the students who appear job interviews because it makes them strengthen in all regards, especially enhances confidence skills and ability to encounter interview panel team with a bold spirit. Interview is a common thing faced by every student who is being educated at the end of academics of his due course. This interview offers a student with abilities and skills with a good campus placement opportunity with a handsome package annually. In order to do this, Job givers conduct personal interview in the name of HR for every job aspirant. This personal interview is a final phase of a process of any Government or non-government job that is held for student. It is equally important like other phases, for instance, Verbal ability test and Technical interview. As a result, the preparation for this personal interview is above all and has to be taken seriously at top priority. In personal interview, students are generally posed questions concerning self-introduction, details of the company for which they applied, achievements, strengths, awards, hobbies, goals and other related questions based on the performance of the job applicants.

Since personal interview plays a preeminent role in offering a student with a placement, evaluating one's talents, a Mock interview was decided to conduct by the department of English. Mock interview is a kind of session for a student to know the questions pattern followed in common by all software companies to select a suitable individual for the position. When a student has an idea on all sorts of questions, they can encounter effectively the real personal interview. This is the reason why, mock interview was conducted. Furthermore, mock interview is a kind of rehearsal for a job aspirant. As the quote "the more we practice, the perfect we become" says, ahead of practice of a main interview give enough preparedness for it. For this reason, in the month of March, 2023 mock interview was conducted to the students of fifth

semester. Aside from mock interview, resume verification was done for five sections B.Sc final year job aspirants.
