

## DEPARTMENT OF M.Sc. CHEMISTRY

ACADEMIC YEAR - 2022 - 2023

<b>Name of the Event / Activity</b>	<b>Outreach Program</b>
<b>Date</b>	<b>28-06-2023</b>
<b>Duration</b>	3 hours
<b>Year of Students Participated</b>	II M.Sc. Organic Chemistry
<b>Mode of conduction</b>	Offline
<b>Venue</b>	S.D.N.R. High School
<b>Names of the students participated</b>	K. Pavanika & M. Lakshmi Durga
<b>No.of students participated</b>	02
<b>Conducted by</b>	Department of Chemistry, B.V. Raju College
<b>Event Coordinator</b>	Dr. N. Prudhvi Raju

HOD

Head of the Department  
Dept. of M.Sc. Chemistry  
B.V.R.C. Bhimavaram-2.

### CIRCULAR

**Date: 20-06-2023**

All the students of II M.Sc. Organic & Analytical chemistry are hereby informed that Department of M.Sc. Chemistry is going to conduct Community Outreach program to raise awareness of chemistry knowledge among schoolchildren for IX & X of S.D.N.R. High School, Korukollu. If anyone is interested to participate in this program please give your names to Dr.N. Prudhvi Raju.

## DEPARTMENT OF M.Sc. CHEMISTRY

### Outreach Program

Giving is living; Life is meant that we should not just survive, but thrive and help others thrive as well. This is something that the Department of M.Sc. Chemistry strongly believes in, and it has led us to want to host a Community Outreach Program to raise awareness of chemistry knowledge among schoolchildren. As a result, we met with S.D.N.R. High School, Korukollu, to obtain permission & we got permission from the Principal to host this event.

The decision to conduct this outreach program was made because to improve their knowledge on chemistry. As a result, we decided to design an awareness encouragement that can spark a great accomplishment.

We started it on 28<sup>th</sup> June 2023 & Continued on 03-07-2023 as well, for 9<sup>th</sup> & 10<sup>th</sup> class students. It is a little grade school children with poor subject knowledge. In order to turn these children from confusion to confidence and arouse an interest among them to learn skills in chemistry, we had our students prepare different topics to teach the students.

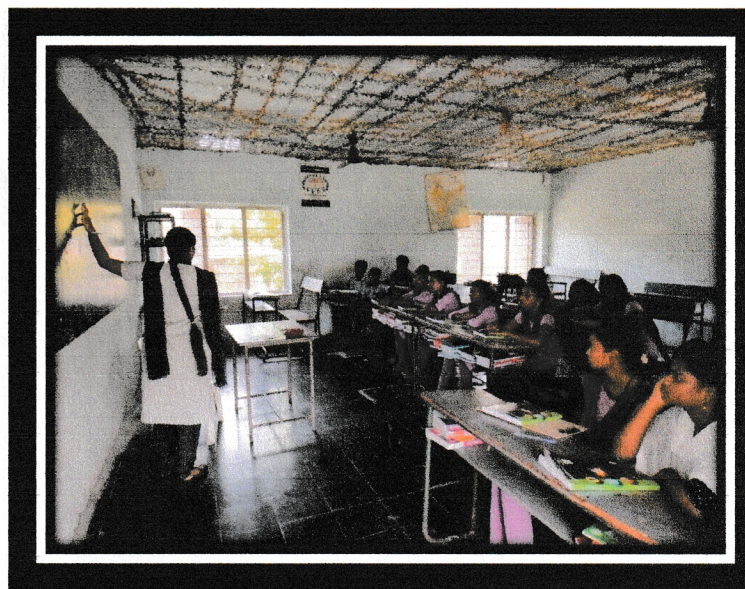

On displaying them, PG students, who attended the program one by one taught different topics made the children involved in the subject, and interacted with them fully. All the children remained connected and paid attention to all the topics. It was observed that they felt very happy and educated. They raised their queries about how to acquire knowledge to the fullest extent possible, and they were given answers. The Headmaster of the School greeted us warmly. By assigning this assignment to an subject teacher, he was able to observe the entire program a great event and encouraged us to do more .He congratulated the entire team for making programs like this.

### Outreach Program

Two students (K. Pavanika & M. Lakshmi Durga) from II M.Sc. Organic Chemistry went to S.D.N.R. High School, Korukollu to deliver classes for IX & X class students.

They taught different topics atomic structure & acids and bases and made the children involved in the subject, and interacted with them fully. All the children remained connected and paid attention to all the topics. It was observed that they felt very happy and educated. The Head Master of the school congratulated the entire team for making programs like this.

20<sup>th</sup> June,2023

To

The Principal,

B.V.Raju College,

Vishnupur.

Sir,

Sub: Invitation letter for conducting classes with M.Sc. Chemistry students in S.D.N.R.High school -reg.,

I request you to kindly send Students from the Department of M.Sc. Chemistry, B.V.Raju College from 28-06-2023 to 25-02-2024 to deliver classes to the students (IX & X) of S.D.N.R.High School, korukollu. So that they can benefit from the classes.

Thanking you,

*K. Varaveena*

## LETTER OF APPRECIATION

The services of Ms. K. Pavanika, & M. Lakshmi Durga of II M.Sc . Chemistry, B.V.Raju College, have been very much appreciated for their extensive classes to X & IX class students of S.D.N.R. High school on 28<sup>th</sup> June,2023. Their classes are well received and highly acknowledged by the students. I wish them all success in their future endeavors.

Head Master
