## AUTONOMOUS STATUS

### MILESTONE ACHIEVEMENT: B.V.RAJU COLLEGE RECEIVED UGC AUTONOMOUS STATUS

B.V.Raju College, known for its captivating academic standards, reached a milestone that it was conferred autonomous status by the University Grants Commission (UGC) under the dynamic leadership of Dr. I.R.K.Raju, Principal. As a part of this, Prof. G.Sudhakar, Registrar, Adikavi Nannaya University, Rajamahendravaram, issued permission documents with respect to autonomous status on 26 April 2024. This autonomy has directed the college to embark on a new journey in academics, allowing it to design its new and life changing syllabi and curriculum for the optimal learning and development. This autonomy with newness in academics contributes to over-all development of the student community in their future endeavors.

Overall, this autonomous status is going to enhance the complete quality of education, preparing students to meet the challenges and demands of job markets with confidence and competence.

## THE WEEK SURVEY RANKING

### NOTABLE ACHIEVEMENT: B.V. RAJU COLLEGE WAS RANKED 72ND IN SCIENCE CATEGORY AND 102ND IN COMMERCE CATEGORY BY THE WEEK HANSA RESEARCH-2024

THE WEEK HANSA RESEARCH-2024 released its rankings for the best Degree colleges across India, relied on effective academic standards. Among the many institutions that participated in survey, B.V. RAJU COLLEGE, VISHNUPUR, BHIMAVARAM, attained a notable position. It was ranked 72 in the Science category and 102 in Commerce category.

Taking this recognition as a responsibility and challenge, B.V.Raju College is working out to keep it lasting, enhancing the quality of academics.

## INDIA TODAY RANKING

### NOTABLE ACHIEVEMENT: B.V.RAJU COLLEGE WAS RANKED 209TH IN SCIENCE CATEGORY BY INDIA TODAY – MDRA

India Today – MDRA 2024 survey released its rankings for the best degree colleges across India based on effective academic standards. Amidst these prestigious rankings, B.V.RAJU COLLEGE, VISHNUPUR, BHIMAVARAM, was ranked 209, a commendable position, in the Science category.

## NPTEL RECOGNITION

### NPTEL'S RECOGNITION FOR B.V.RAJU COLLEGE: ACTIVE SWAYAM-NPTEL ASPIRANT LOCAL CHAPTER

NPTEL (The National Program on Technology Enhanced Learning) of IIT Madras recognized B.V.Raju College as an Active Swayam-NPTEL Local Chapter under the category Aspirant January to April 2024 and congratulated the college for its exceptional engagement in learning knowledge and skills, presenting a memento as an appreciation.

## HAPPY COMPUTING

In today's technologically advanced world, having a basic understanding of computer skills by everyone ranging from school children to college students is paramount of importance. Computer skills are also considered to be life skills. Tasks in the information age cannot be productive without these. As a result, everyone must learn these life skills.

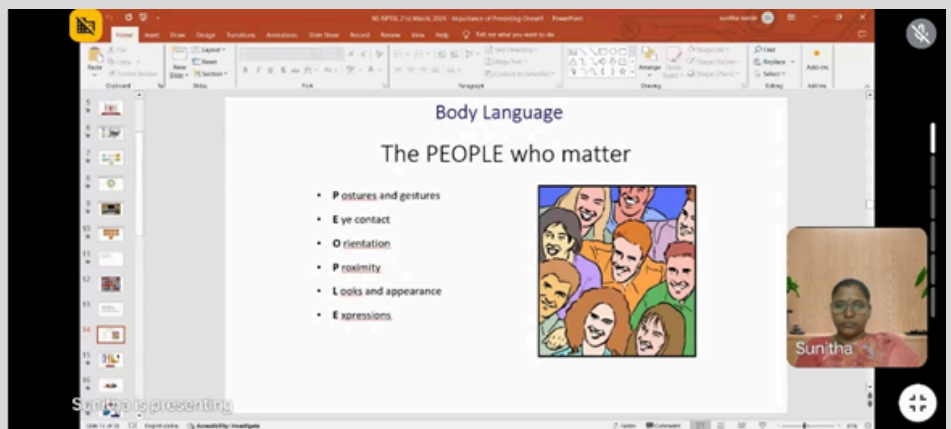

In this regard, the department of Computer Science at B.V. Raju College to start a programme called Happy Computing to the junior minds at Knowledge center, Kumudavalli. As a part of this, the faculty of the department used Code.org to enable the junior minds learn the basic computer skills knowledge. Children learnt a variety of useful concepts from this platform. This initiative held from 1st May to 04th May 2024.

## SOFT SKILLS TRAINING PROGRAM ON INTERVIEW PREPAREDNESS BY NPTEL

### B.V.RAJU COLLEGE AND IIT MADRAS NPTEL COLLABORATED TO CONDUCT ONE MONTH SOFT SKILLS TRAINING PROGRAM ON INTERVIEW PREPAREDNESS FOR ABOUT 250 STUDENTS(26TH MARCH TO 23 APRIL 2024)

In today's competitive job market, possessing technical skills alone is no longer sufficient to secure a dream job. Employers are increasingly seeking candidates who exhibit strong soft skills such as communication, teamwork, problem-solving, and adaptability. Recognizing this trend, the department of English, B.V.Raju College, with the support of NPTEL local chapter SPOC from B.V.Raju College held one-month 'Soft skills training program on interview preparedness' in collaboration with NPTEL (The National Program on Technology Enhanced Learning) of IIT Madras . It was held from 26th March 2024 to 23rd April 2024. In this training program, a total of 251 students including 40 students from Degree, 135 students from MCA with two batches, and 75 students from M.Sc with batches participated. Out of these 251 students, 201 students were qualified and secured certificates. To assess the interview preparedness knowledge, NPTEL team hosted mock interview as key tool.

### B.V.RAJU COLLEGE ORGANIZES SPORTS CELEBRATIONS FOR FACULTY

In April 2024, B.V.Raju College held sports celebrations for its faculty, an initiative designed and headed by Dr.I.R.K.Raju, Principal of BVRC. Moreover, he is a proponent of health and wellness of all faculty along with academic excellence of the students. Recognizing that modern faculty are wanting in enough physical and mental exercise, and this lack will cause a loss personally and professionally, he planned this sports celebration. He also believed that healthy faculty create a thriving academic environment and emphasized that taking part in games and sports is imperative for faculty to have success in all spheres.

Sports celebrations were held under the guidance of Dr. Pavan Kumar, Physical director and under the leadership of both Principal and Vice Principal. All faculty enthusiastically participated in sports and games such as Cricket, Chess, Shuttle, Throw-ball, Volley-ball, Carrom, etc.

Overall, this sports initiative for faculty created an awareness on the importance of keeping health and being hygienic. Finally, a healthy teacher contributes to the success of student not the unhealthy teacher.

## ALUMNI MEET 2024 AT B.V.RAJU COLLEGE: A MEMORABLE GATHERING

B.V.Raju College, Bhimavaram, hosted ALUMNI MEET 2024 for the degree graduates in 2021 on 13th April 2024 at Colloquium. This Meet was attended by 202 Alumni Students in total, along with distinguished dignitaries including Dr. I R Krishnam Raju, Principal of BVRC, Sri.Ch.S V Satyanrayana, and Vice-Principal, BVRC, the Heads of all the departments and faculty.

In the Alumni Meet 2024, Dr. I R Krishnam Raju, addressed the gathering from different locations all over India by his warm welcoming words. He, then, appreciated their positions and thanked the Alumni for taking their invaluable time to participate in the event. He, finally, suggested alumni that they should share their professional expertise with the juniors by visiting campus once in a semester.

Then, Vice-Principal, BVRC, took the time to welcome the gathering. His speech, predominantly, highlighted the importance of Alumni meet to the gathering and enabled them to understand the point, illustrating live examples. He, then, asked the former degree students to come forward and share their college memories with the faculty and college as well as professional experiences. Many alumni highlighted how their education at BVRC had impacted their careers and personal growth.

Following the speeches, at the meet, the Principal and Vice-principal honored the alumni with their original degrees in the presence of their department Heads. This presentation of ODs happened amidst enthusiastic applause from the alumni attendees.

Alumni expressed gratitude for the opportunity to reconnect with their pals and lecturers, and commended the college for organizing such a worthy event. They also appreciated the college's efforts to connect with the alumni

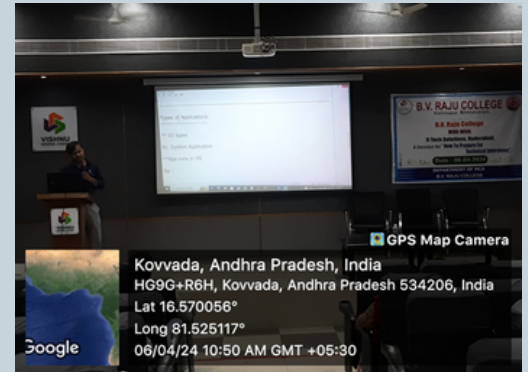

## HIGH ACHIEVEMENT: 88 MCA STUDENTS OUT OF 128 QUALIFIED NPTEL PYTHON FOR DATA SCIENCE

A total of 128 I MCA students registered Python for Data Science exam offered by NPTEL, recognizing the immense value of the course as well as the services provided by NPTEL to enhance student's academic excellence. All the registered students took the exam, demonstrating their commitment and devotion to attain skills. Out of these, 88 students qualified and achieved good score.

Engaging this course, students who qualified this course offered by NPTEL acquired the skill set of Python and understood the latest trends in Python and deeper knowledge. Really, this knowledge is going to be useful for the students in their future endeavors. It also boosted their confidence regarding Python concept and made them prepared to confront all the inquiries in job market interviews.

## **"MASTERING TECHNICAL INTERVIEWS: A COLLABORATIVE WORKSHOP WITH 7I TECH SOLUTIONS"**

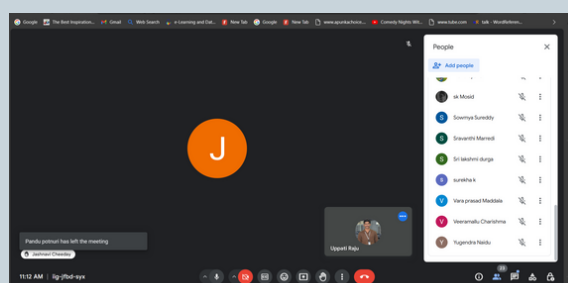

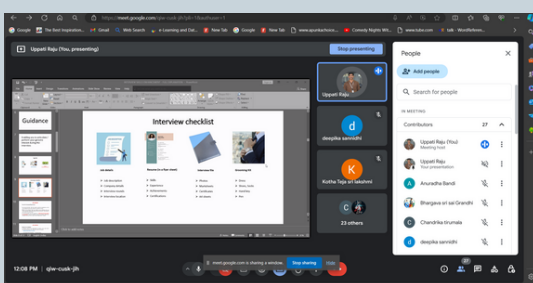

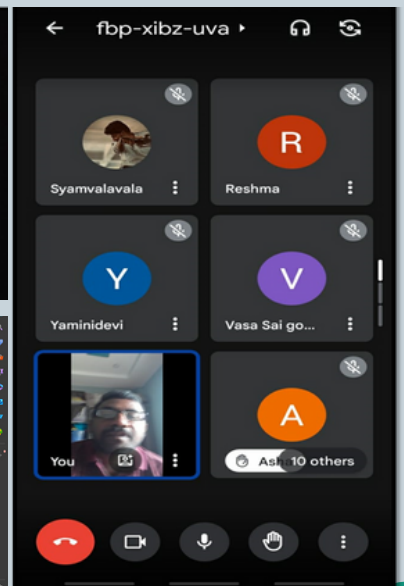

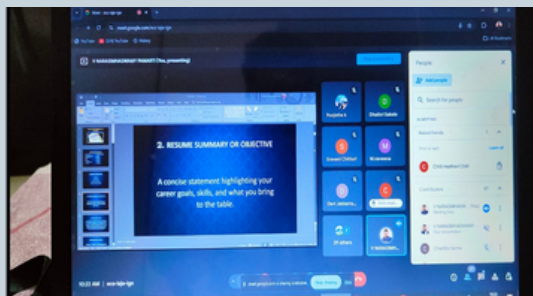

The Department of MCA organized a program titled "How to Prepare for Technical Interviews" on April 6, 2024, in collaboration with 7i Tech Solutions, which signed a Memorandum of Understanding (MOU) with B.V. Raju College. This program offers a valuable opportunity for students to gain inputs into effectively preparing for technical interviews. By participating, students can learn directly from industry experts, understand the latest trends in interview questions, and receive practical advice on showcasing their skills and knowledge. This collaboration with 7i Tech Solutions will enhance students' readiness for the job market, ultimately boosting their confidence and improving their chances of securing desirable positions in the tech industry.

## **SOFT SKILLS TRAINING PROGRAM ON INTERVIEW PREPAREDNESS BY ENGLISH DEPARTMENT**

### **B.V.RAJU COLLEGE CONDUCTED TWO WEEK SOFT SKILLS TRAINING PROGRAM ON INTERVIEW PREPAREDNESS FOR FINAL YEAR STUDENTS (15TH MAY TO 28TH MAY 2024)**

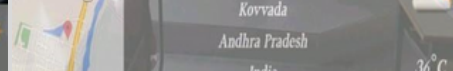

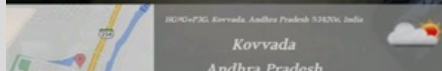

In today's competitive job market, possessing technical skills alone is no longer sufficient to secure a dream job. Employers are increasingly seeking candidates who exhibit strong soft skills such as communication, teamwork, problem-solving, and adaptability. Recognizing this trend, the department of English, B.V.Raju College, B.V.Raju College held two-week 'Soft skills training program on interview preparedness' in for the final year students of the academic year 2023-24. It was held from 15th May to 28th May 2024 through online via Google meet platform. Student were actively engaged in all sessions and learnt the significance of Interview Preparedness. During the program, the doubts of Resume preparation were elucidated in detail. Training faculty hosted 3 online quizzes on what was taught to the students to evaluate the performance level of the students.
